

| Parts

The first sport, for the first sports people.

All the parts are manufactured to three essential criteria:

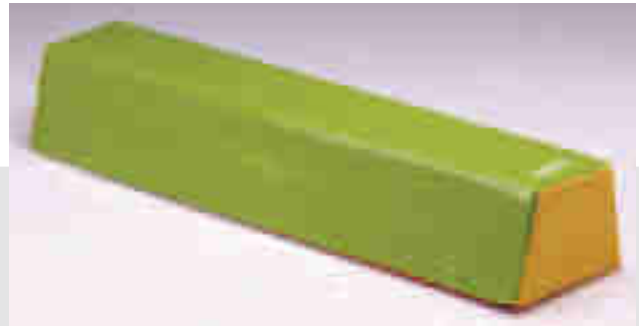

Safety; both the interior and exterior material is flame-retardant. M2, flame-retardant PVC canvas with M3, polyurethane interior. Zips are protected by flaps of the same material.

Durability; Covers made of highly resistant, polyester fabric covered in PVC. Hygiene; easy to clean fabric and easy to replace interior.

Available in different shapes, dimensions and colours.

| Kit

Set of different elements for psychomotor activities to be used in a circuit organised in a sensorial "pool" designed for KIT sets of games.

Large, medium and small KIT sets are available.

All the parts are manufactured to three essential criteria:

Safety; both the interior and exterior material is flame-retardant. M2, flame-retardant PVC canvas with M3, polyurethane interior. Zips are protected by flaps of the same material.

Durability; Covers made of highly resistant, polyester fabric that is covered in PVC.

Hygiene; easy to clean fabric and easy to replace interior
